

## **Business Combined**

Business Combined Insurance policies provide a wide range of covers available to most sectors of business. The core covers are:

- Contents including machinery & plant
- Business Interruption
- Money & Assault
- Public & Products Liability
- Employers Liability

Our portfolio of clients requiring Business Combined Insurance is wide ranging from medium and large manufacturing, engineering and wholesale businesses to the smaller retail end of the market encompassing shopkeepers, property owners and office based companies.

Our independent status means that your business can benefit from our expertise in finding your company the best possible cover from a wide range of insurers.

### **Speciality and Difficult Risks**

In addition to the standard Business Combined trades, we are able to source cover for most 'difficult to place' risks. These include:

- Buildings of 'non-standard' construction e.g. with composite panels, flat roof etc.
- Unoccupied premises
- Woodworkers and Plastics
- Multi-tenure
- Adverse claims history
