

Personal Protection

We have a dedicated system to research the market to provide both a comparative premium and wide range of cover for:-

Term Assurance
Mortgage Protection
Critical Illness
Permanent Health Insurance
Whole of Life

The difference in premium for virtually identical cover can be enormous. Please ask yourself:-

1. Am I paying too much?
2. Should my cover be written in trust to avoid Inheritance Tax?
3. Can we help you find the right product at the lowest cost?
